

## malton show

Following the success of the last two years we are delighted to be returning to Malton Show for 2018, Classic & Sportscar Centre and Malton Coachworks hosted and organised the classic car section. 2016 was the first time the show had such a section and we are thrilled that it continues to grow. This year the event will be returning to Scampston Park on Sunday 1<sup>st</sup> July.

Malton Show has all the agricultural attractions, horticultural displays, farm exhibits and class entries that form the backbone of such an event, other attractions which will appeal to the whole family will include; farm produce, livestock, horses, fur & feather, classic cars, vintage tractors, farmers' market, trade stands, craft fair and much more.

If you would like to enter your classic car in the show, please complete the enclosed form.

Entry to the show for the general public costs £10.00 per person. Whilst we have made every effort to keep entry free for our Classic Car section a donation to Malton Show would be greatly received (£5 suggested). The show is a charity and is reliant on sponsorship and donations to keep this wonderful institution going. Alternatively, you could become an exclusive member (see attached).
