

Malton Show Sheep Dog trial held at High Farm Crosscliffe Scarborough

28th June 2026

Although the Malton show did not go ahead this year, the sheep dog trial, through the hard work and dedication of Raylia Dugmore-Young and Will Young still went ahead. With sponsorship from [BATA Ltd](#) there was excellent prizes and trophies to be won. This trial was originally started in 1997 at Malton show by Steve And Jill Aconley.

🌞 After the sweltering heat of the last week the weather was somewhat cooler and a good breeze made the running for the dogs and sheep very manageable. The sheep which were run in three's ran well and consistently all day.

🙏 Many Thanks to the who make these trials happen. Thank you to those letting out sheep all day, Richard Spry who also kindly awarded all the trophies, Will Young and Raylia Dugmore-Young.

🙏 Thank you to the Judge Becky Galloway for Judging 25 dogs from her tractor seat.

🙏 Thank you to the Malton Show and [BATA Ltd](#) for providing rosettes, prizes and trophies.
